Subject: RE: Follow-up on EPA involvement with Chemfab

Hi Rudy,

I wanted to follow up on the request for info on any EPA action regarding past citizen complaints in North Bennington (at Chemfab – my apologies for referring to it as Chemco below).

I also wanted to check on EPA testing at additional sites – Pownal, Arlington, and Springfield (and any others). Could you please keep our office posted as to when this will take place?

Thanks,
Haley

Subject: Follow-up on EPA involvement with Chemco

Hi Rudy,

Thanks for coordinating yesterday's call with EPA and VTDEC staff regarding the North Bennington PFOA issue.

During the call, I had asked if and how EPA was involved in handling the citizen complaints and enforcement actions directed at Chemco. Local media reports indicate that there were 32 citizens' complaints and three enforcement actions.

Any information you have on EPA involvement/action on this would be appreciated.

Thanks,
Haley
